

MHM Machinerics BD Limited

Product: Counter Flow Bottle Type Cooling Tower

- Capacity: 10 TR to 600 TR
- Origin: China, Malaysia, Thailand
- Ready stock product is available
- All associated products are available
- Any service work is available
- All accessories are available at any instant
- Package work can be done

Note: The Following Specification are subjected to change according to the requirement, brand, availability and other variable.

Cooling Tower Capacity	Water Flow (m3/h)	Motor Power (kw)	Tower Dia (mm)	Tower height (mm)	Fan Diameter (mm)	Air Flow (m3/h)	Net Weight (kg)	Operating Weight (kg)	Head Loss (kPa)
10 TR	7	0.18	914	1670	440	5700	75	200	20
20 TR	15	0.37	1250	1780	760	9100	110	265	20
